Dear Fellow resident,

Thank you if you have previously voted Liberal Democrat. Like me you want more achieved and improved in Mickleover.

I have, over the last few months, had the pleasure of meeting many of you either on your doorstep or out and about in the area. If I haven't reached you, feel free to touch base on the email or phone number above.

I play an active role in many activities and events such as the match day announcer at Mickleover Sports and the Hot August Night music festival. I love talking with residents and finding out what issues people have.

I've not just been active recently. For many years I have been part of the Liberal Democrat team. We help out in the area with a whole range of issues, not just at election time.

I work from home in Mickleover, and contribute to many local groups and organisations here. I have volunteered with the Our Mickleover Community group to provide music at their fetes. I'm pleased to support local churches, for example by providing the public address for Remembrance Day Services each year. I am known to get things done in Mickleover.

Would you like to improve and drive investment into Mickleover?

I am asking for your vote on Thursday 5<sup>th</sup> May so I can do more to bring about the vital changes this area needs. In return I promise to do my best for everyone.

Thank you for taking the time to read this letter.

Kind regards,

*Nick Northover*

## THREE THINGS TO REMEMBER ABOUT THIS LOCAL ELECTION

- ✓ This local election will be a close contest between Nick Northover and the Conservative candidate. There is absolutely no chance the Labour candidate will win.
- ✓ Nick Northover promises to be an active and visible Councillor all year round. Residents complain about not seeing or hearing from the Conservatives until election time.
- ✓ Local residents have got fed up the current Tory councillors not addressing the main issues and not responding to residents.

Please Lend Nick your vote

**CON 1ST**

**LIB DEM 2ND**

**LAB 3RD**

**This is a two horse race. Voting for The Labour candidate would let The Conservative win**

# TORIES PUTTING OUR COUNTRY AT BREAKING POINT

## NON-STOP LIES

**While people mourned, Boris Johnson and No 10 partied**

Both my grandparents died during lockdown. Family members were unable to visit them in their last few weeks, meanwhile the government decided these rules did not apply to them.

Other lies include:

- Covid is defeated
- NHS has 50,000 more nurses
- We have more people in employment than before the pandemic
- I follow the rules. Everybody across politics should follow the rules.
- Pensions triple lock is not under threat

## LOCAL TORY WASTE

**A lack of financial organisation**

**Tories running the city council know how to waste your money.**

- £millions over budget on Market Hall
- Vulnerable children's services budget cut short
- A52 massive overspend and late
- Project management lessons NOT learnt
- Assembly Rooms sitting in limbo
- Not utilising existing resources and buildings effectively
- Lack of maintenance on buildings, roads, and infrastructure

## CRIPPLING COST OF LIVING

**Many now have to choose between heating or eating**

**“ This is the worst government in living memory.**

**Boris Johnson and his mates at Number 10 partied while the Queen and many others mourned.**

**Boris Johnson has lost all moral authority and must resign now.** ”
